

Betalife

Beats stress Any season

Presentation:
1 liter, 5 liter
& 25 liter

The osmotic protector with **25% Betaine**,
Fortified with **Electrolytes, Menthol & Dextrose**

Betalife

- ▶ Relieves from all kind of stress
 - ▶ *Vaccination - Debeaking - Climate change-feed change*
- ▶ Reduces mortality significantly
- ▶ Post care treatment for weight gain
- ▶ Provides instant source of energy
- ▶ Helps bird to keep cool & relaxed
- ▶ Improves appetite

Enriched with
Vitamin C +
Organic
minerals

Guybro Chemical

Betalife

Beats stress Any season

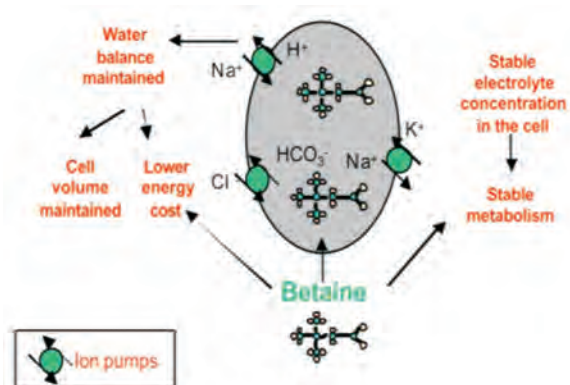

Betalife a blend of four crucial components to combat any stress:

Betalife with organic osmolyte betaine reduces body cell dependence on energy for ion pump, thereby saves energy (upto 5%) for growth & production

Maintains cellular water and ion balance & spares valuable metabolic energy in the animal

Beats stress in any season

Helps bird to tolerate high ambient temperature

Betalife's electrolytes comprises maximum number of monovalent ions with high coefficient of absorption for better performance

Maintains optimum Dietary Electrolyte Balance (DEB)

Maintains acid base balance in body

Prevents dehydration

Betalife formulated with Menthol: Stimulates oral mucosa sensory cold receptors & provides a cool sensation in birds

Gives a very pleasant 'Soothing' sensation of 'freshness'

Betalife fortified with Dextrose & monovalent ions provides quick relief during heat stress conditions by promoting rehydration & recovery

Supplementation Rate:

Stress conditions	1 ml/ 1 liter of water (1 liter/1000 liter)	3-5 days
Extreme climate	2 ml/ 1 liter of water (2 liter/1000 liter)	3-5 days
Chick arrival at farm	1ml/1 liter of water (1 liter/1000 liter)	
Vaccination stress (A day before vaccination)	1 ml/ 1 liter of water (1 liter/1000 liter)	1 day
Transportation stress	1 ml/ 1 liter of water (1 liter/1000 liter)	3 days

Betalife fortified with organic minerals and Vitamin 'C' organic minerals are the key to combat stress by supplying proper nutrition & Vitamin 'C' is the antioxidant vitamin proven to relieve stress.

Betalife improves egg shell weight & thickness
